

COME & TRY PARA-GOLF

MONDAY 27 SEPTEMBER

1-5PM AT SPINAL LIFE 2-4 SMITH STREET, CAIRNS NORTH

Join Australian trained PGA professional Graham Bolton for an all abilities golf session using a Para-Golfer. The Para-Golfer is a specialised electric wheel chair that allows a person with a disability to transit around almost all parts of the golf course. It also has the capability to allow those who cannot stand to be raised safely into a standing position to play golf. The Para-golfer allows people who normally could not play golf to get into the golf course in a way not possible without this piece of equipment.
